Dedication 1974

Mrs. Jeanne Staudigel

The 1974 Tradewinds staff, is proud to dedicate this year's annual to Mrs. Jeanne Staudigel. Since coming here 15 years ago, she has devoted much time and patience to both the students and the school.

Mayfair High has enjoyed the benefits of Mrs. Staudigel's teaching since the school's conception in 1959. She contributed greatly to the school's curriculum by founding both the instrumental and choral departments.

Mrs. Staudigel was born and raised in Kansas, where she attended the University of Kansas. There she was awarded both an A.B. degree and a B.M.E. degree. She then earned her M.A. while attending the Columbia Teacher's College, specializing in the trumpet. Her talents in this area were soon to be publically appreciated, for she became a member of the Tulsa Symphony Orchestra. It was here that she met her husband, Art.

They have been married now for 20 years and have two daughters. Jenny is a freshman at UCLA and Nancy a junior at Lakewood High School.

As a result of her talent, enthusiasm and a lot of hard work, Mrs. Staudigel has produced many fine musicians, who are still showing their gratitude by returning to Mayfair to thank her for all that she has done for them.

Mrs. Staudigel's strong attachment and sense of dedication to the music department that she founded, helped her to decide not to accept a junior college teaching position, once offered. A decision that both the faculty and students was glad she made.

Mrs. Staudigel's students reflect her efforts towards musical excellence by their accomplishments. They have participated in choral productions at the Hollywood Bowl eight times, The Princess Louise, The Masonic Temple, the dedication of the new Iacaboni Library and many more. Her students have also received many awards, which again says something of the quality of instruction they are receiving from a very dedicated and talented person.

We would like to extend our deepest thanks to Mrs. Jeanne Staudigel for her devotion and many hours of hard work for the students and the school.

Thank you, Mrs. Staudigel

May there always be work for your hands to do
May your purse always hold a coin or two
May the sun always shine on your window pane
May a rainbow be certain to follow each rain
May the hand of a friend always be near you
May God fill your heart with gladness to cheer you.

AFS students gain, give

A chance to become an A.F.S. exchange student I reckon is a rarity in every human endeavor. It furnishes one with the opportunity to meet different people, perceive new ideas and learn new customs. Such a program breaks open racial prejudices, paving the way for better understanding thus bringing men closer.

Since the commencement of the school days, Mayfair has played an important role in my life. Although differences in school set-ups prevail, love for Mayfair abounds with me. Impressing me far beyond nothing else is the existence of friendly relationships among everybody. The teachers are really nice; I don't feel like a stranger around here.

I'm proud to be a student of Mayfair as I have been of my former school. I can expressly tell and proclaim to everybody—How lucky am I to be at Mayfair!

enrichment to their schools

When I learned I was going to spend this year in Turkey, my mouth just sort of hung open. Turkey! Gobble Gobble! I didn't know how lucky I was. The Turkish people are warm and friendly. The land is beautiful and the food is a dieter's Waterloo.

School was a big change. The teachers dictate, and the students memorize. Although I studied more this year than ever before, I brought home more than my share of "F's." I learned a million things that can't be measured in tests. Friendship, life, a smile, home, and even Mayfair took on a new meaning and worth for me.

To all of you at Mayfair—Thank you for making this experience possible for me.

Love and Peace wherever you go,
Susan DeRiemer

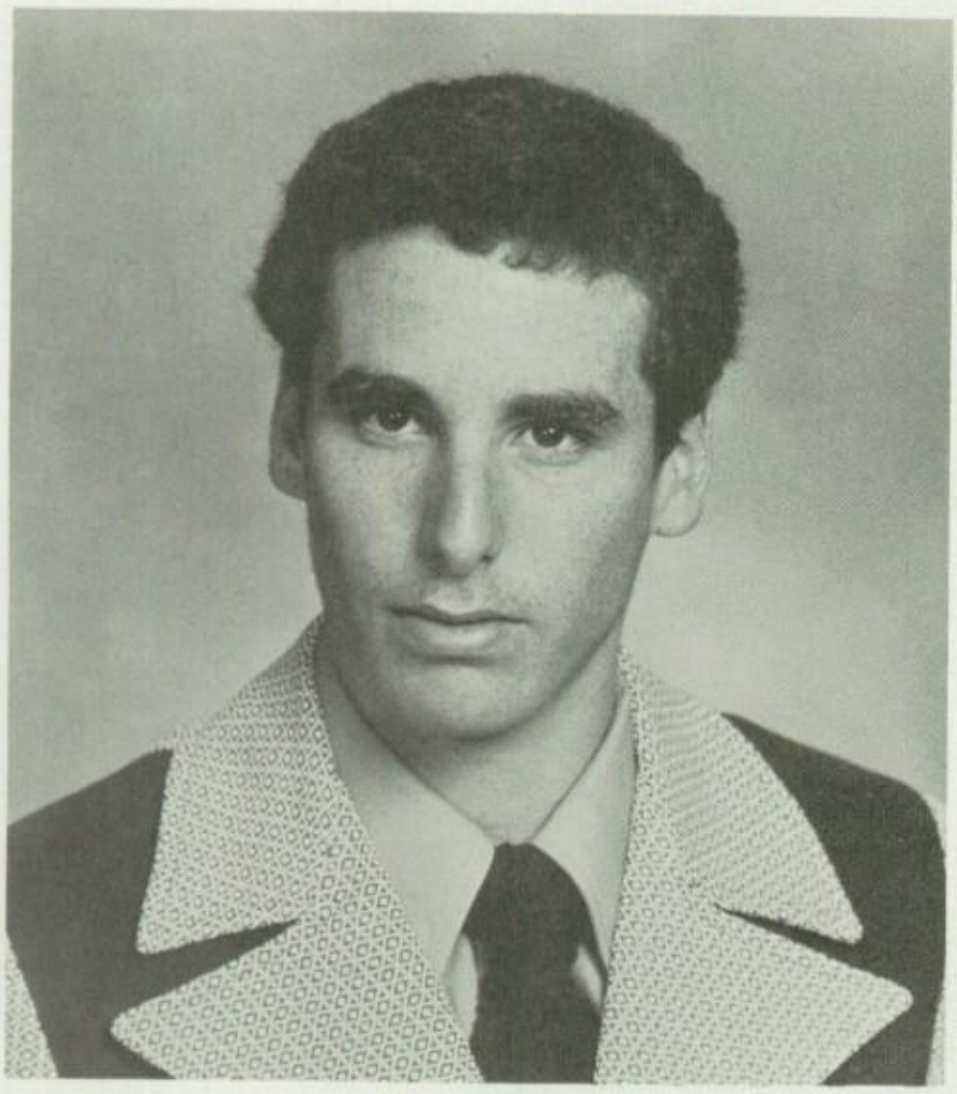
Outstanding student award shared

Susan De Riemer



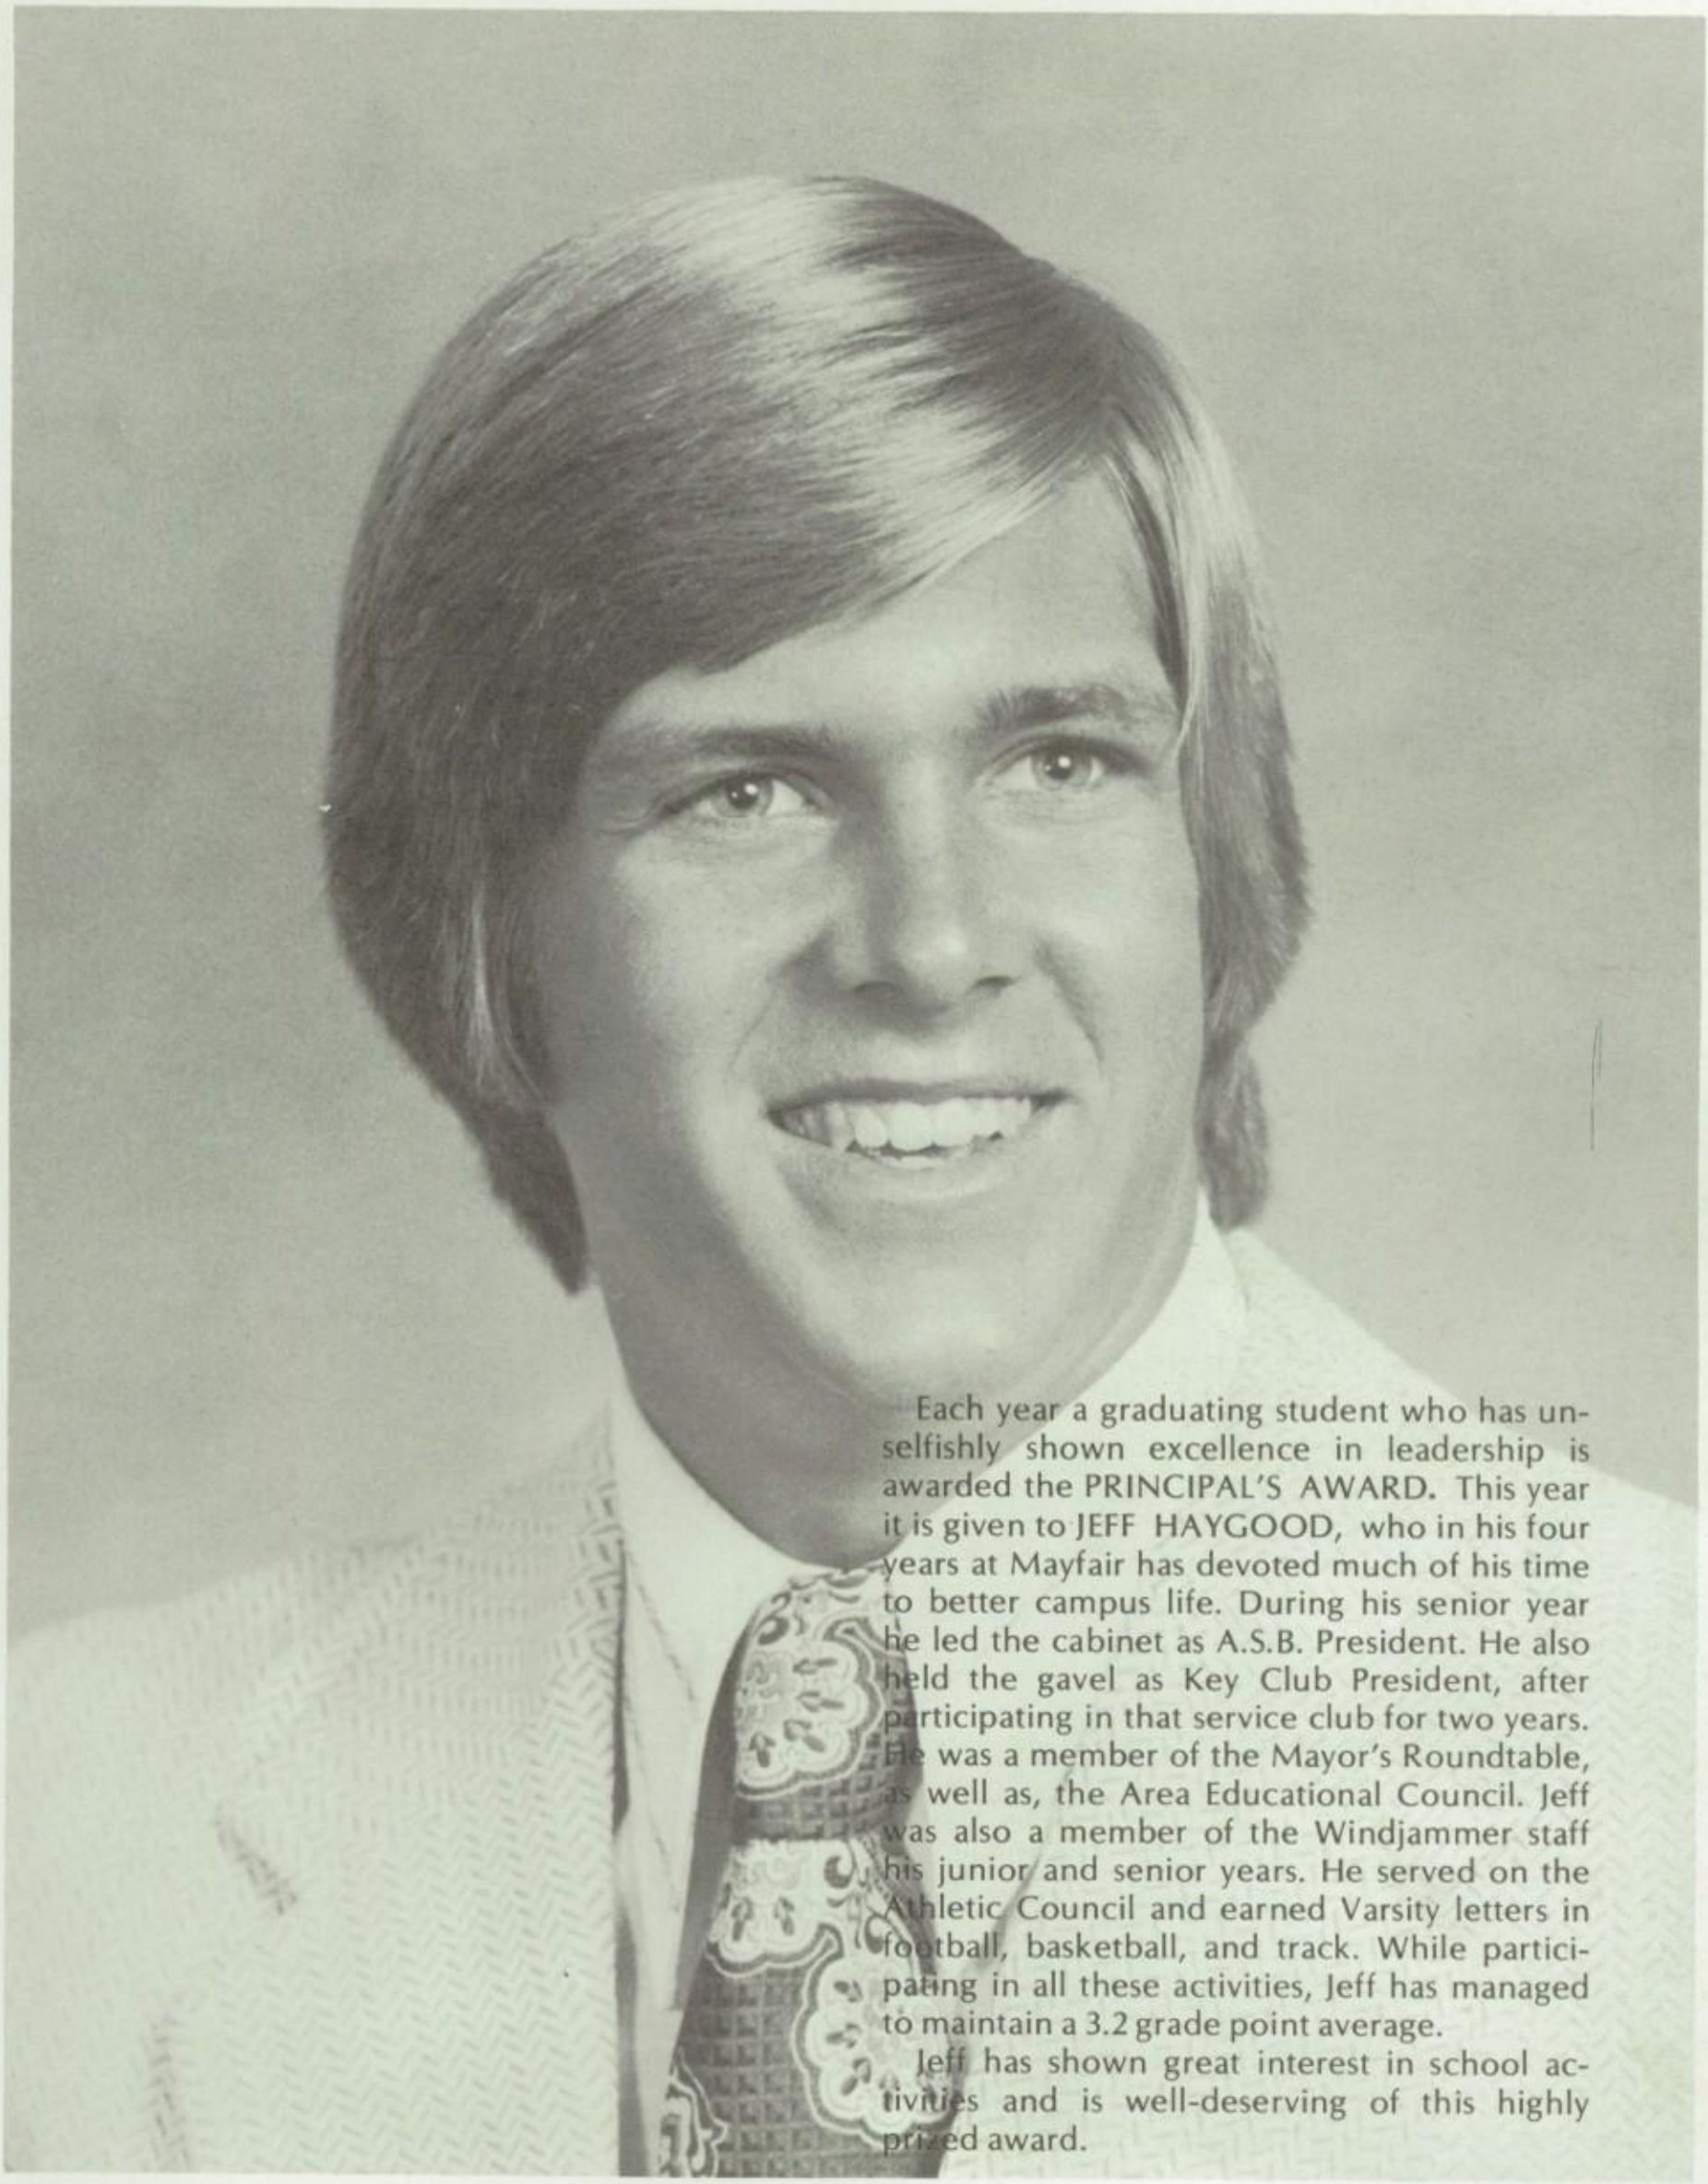
David Schrieber

This year's OUTSTANDING STUDENT AWARD is being shared by two students who both have excelled in scholastics. Sue De Riemer, who is this year's American Field Service Student abroad, has maintained a 3.95 grade point average during her three years on campus at Mayfair. She was a member of the National Honor Society in her junior year and on Honor Roll in her freshman, sophomore and junior years. Sue spent her senior year in Izmir, Turkey representing the Monsoons.

The other honored student is Dave Schreiber who has averaged 3.90 during his four years at Mayfair. He has been on the Honor Roll all four years and a member of the National Honor Society his sophomore and junior years.

Both students are excellent representatives of this award and reflect the hard work and dedication of scholars.

Principal's Award goes to ASB leader



Each year a graduating student who has unselfishly shown excellence in leadership is awarded the PRINCIPAL'S AWARD. This year it is given to JEFF HAYGOOD, who in his four years at Mayfair has devoted much of his time to better campus life. During his senior year he led the cabinet as A.S.B. President. He also held the gavel as Key Club President, after participating in that service club for two years. He was a member of the Mayor's Roundtable, as well as, the Area Educational Council. Jeff was also a member of the Windjammer staff his junior and senior years. He served on the Athletic Council and earned Varsity letters in football, basketball, and track. While participating in all these activities, Jeff has managed to maintain a 3.2 grade point average.

Jeff has shown great interest in school activities and is well-deserving of this highly prized award.

There is no friend like an old friend
Who has shared our morning days,

But friendship the breathing rose
With sweets in every fold.

Homecoming jinx broken

"Would you consider . . ."

The 1973 Varsity Football Team had three major goals as it began the season. First, to beat Bellflower, which it succesfully did by 21-13. Second, to win Homecoming game, which Mayfair did by beating Glenn 34-11. And third, to win the Suburban League title. Even with not winning the League title, there were several bright spots in their performance. The offensive team broke eight school records for rushing and passing and were able to place four men on the All-Suburban League first team. The defensive team placed three men on the All-Suburban League first team.

If success is measured by the number of games won or lost, their 4-5 record makes them very unsuccessful, but if success is measured by the value of athletics as it prepares a person for later life, the 1973 season was a very successful adventure.

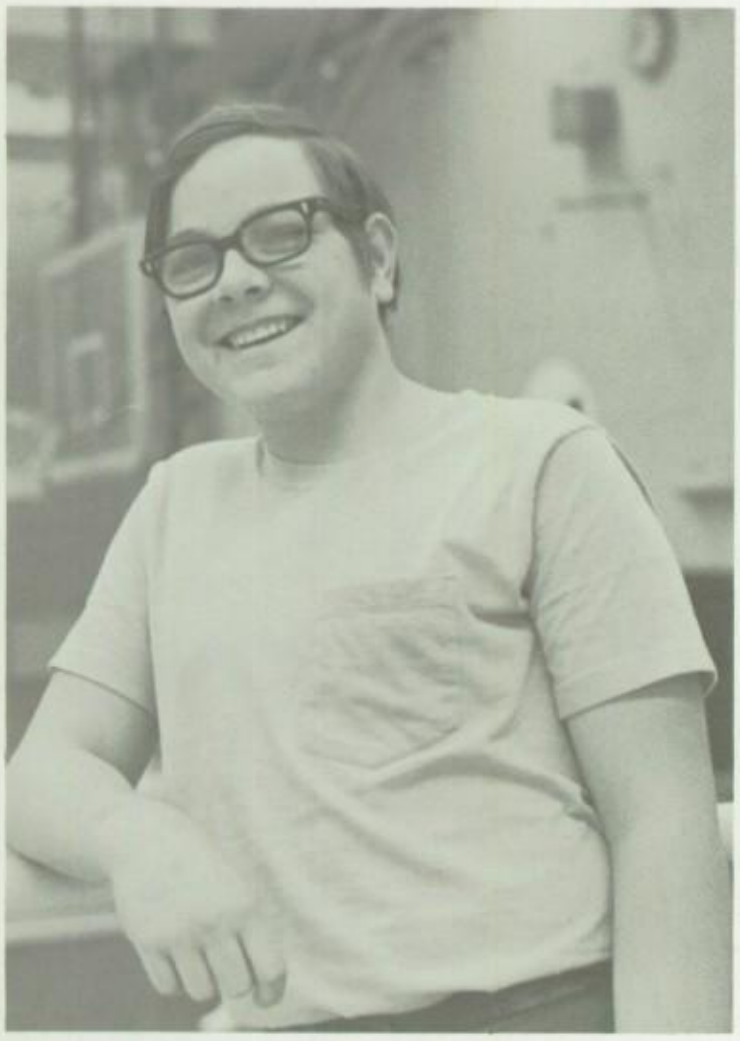
Varsity cagers settle for #2



The 1973-74 Varsity Basketball team had a great season winning twenty-one games and losing only seven. They won the Artesia Tournament, finished second in the Suburban League, and ended the season narrowly losing in the second round of the C.I.F. play-offs. Monsoon victory!

The 1973-74 Wrestling team, while they were young, still proved worthy of the tradition here at Mayfair. They were dedicated to every aspect of wrestling and practiced as if every match determined the League championship. While the overall season was disappointing at times, League finals proved to the high point of the year. Mayfair and Cerritos High share the championship, with Mayfair placing four men in the first class positions; three in the third spot and two wrestlers in fourth.

In addition, two wrestlers traveled through CIF preliminaries to the finals. Paul Thompson and Dave Diffine, at 130 and 178 lbs. respectively, made the finals.

Wrestling at Mayfair has always been a sport for dedicated adults and this year was no exception.

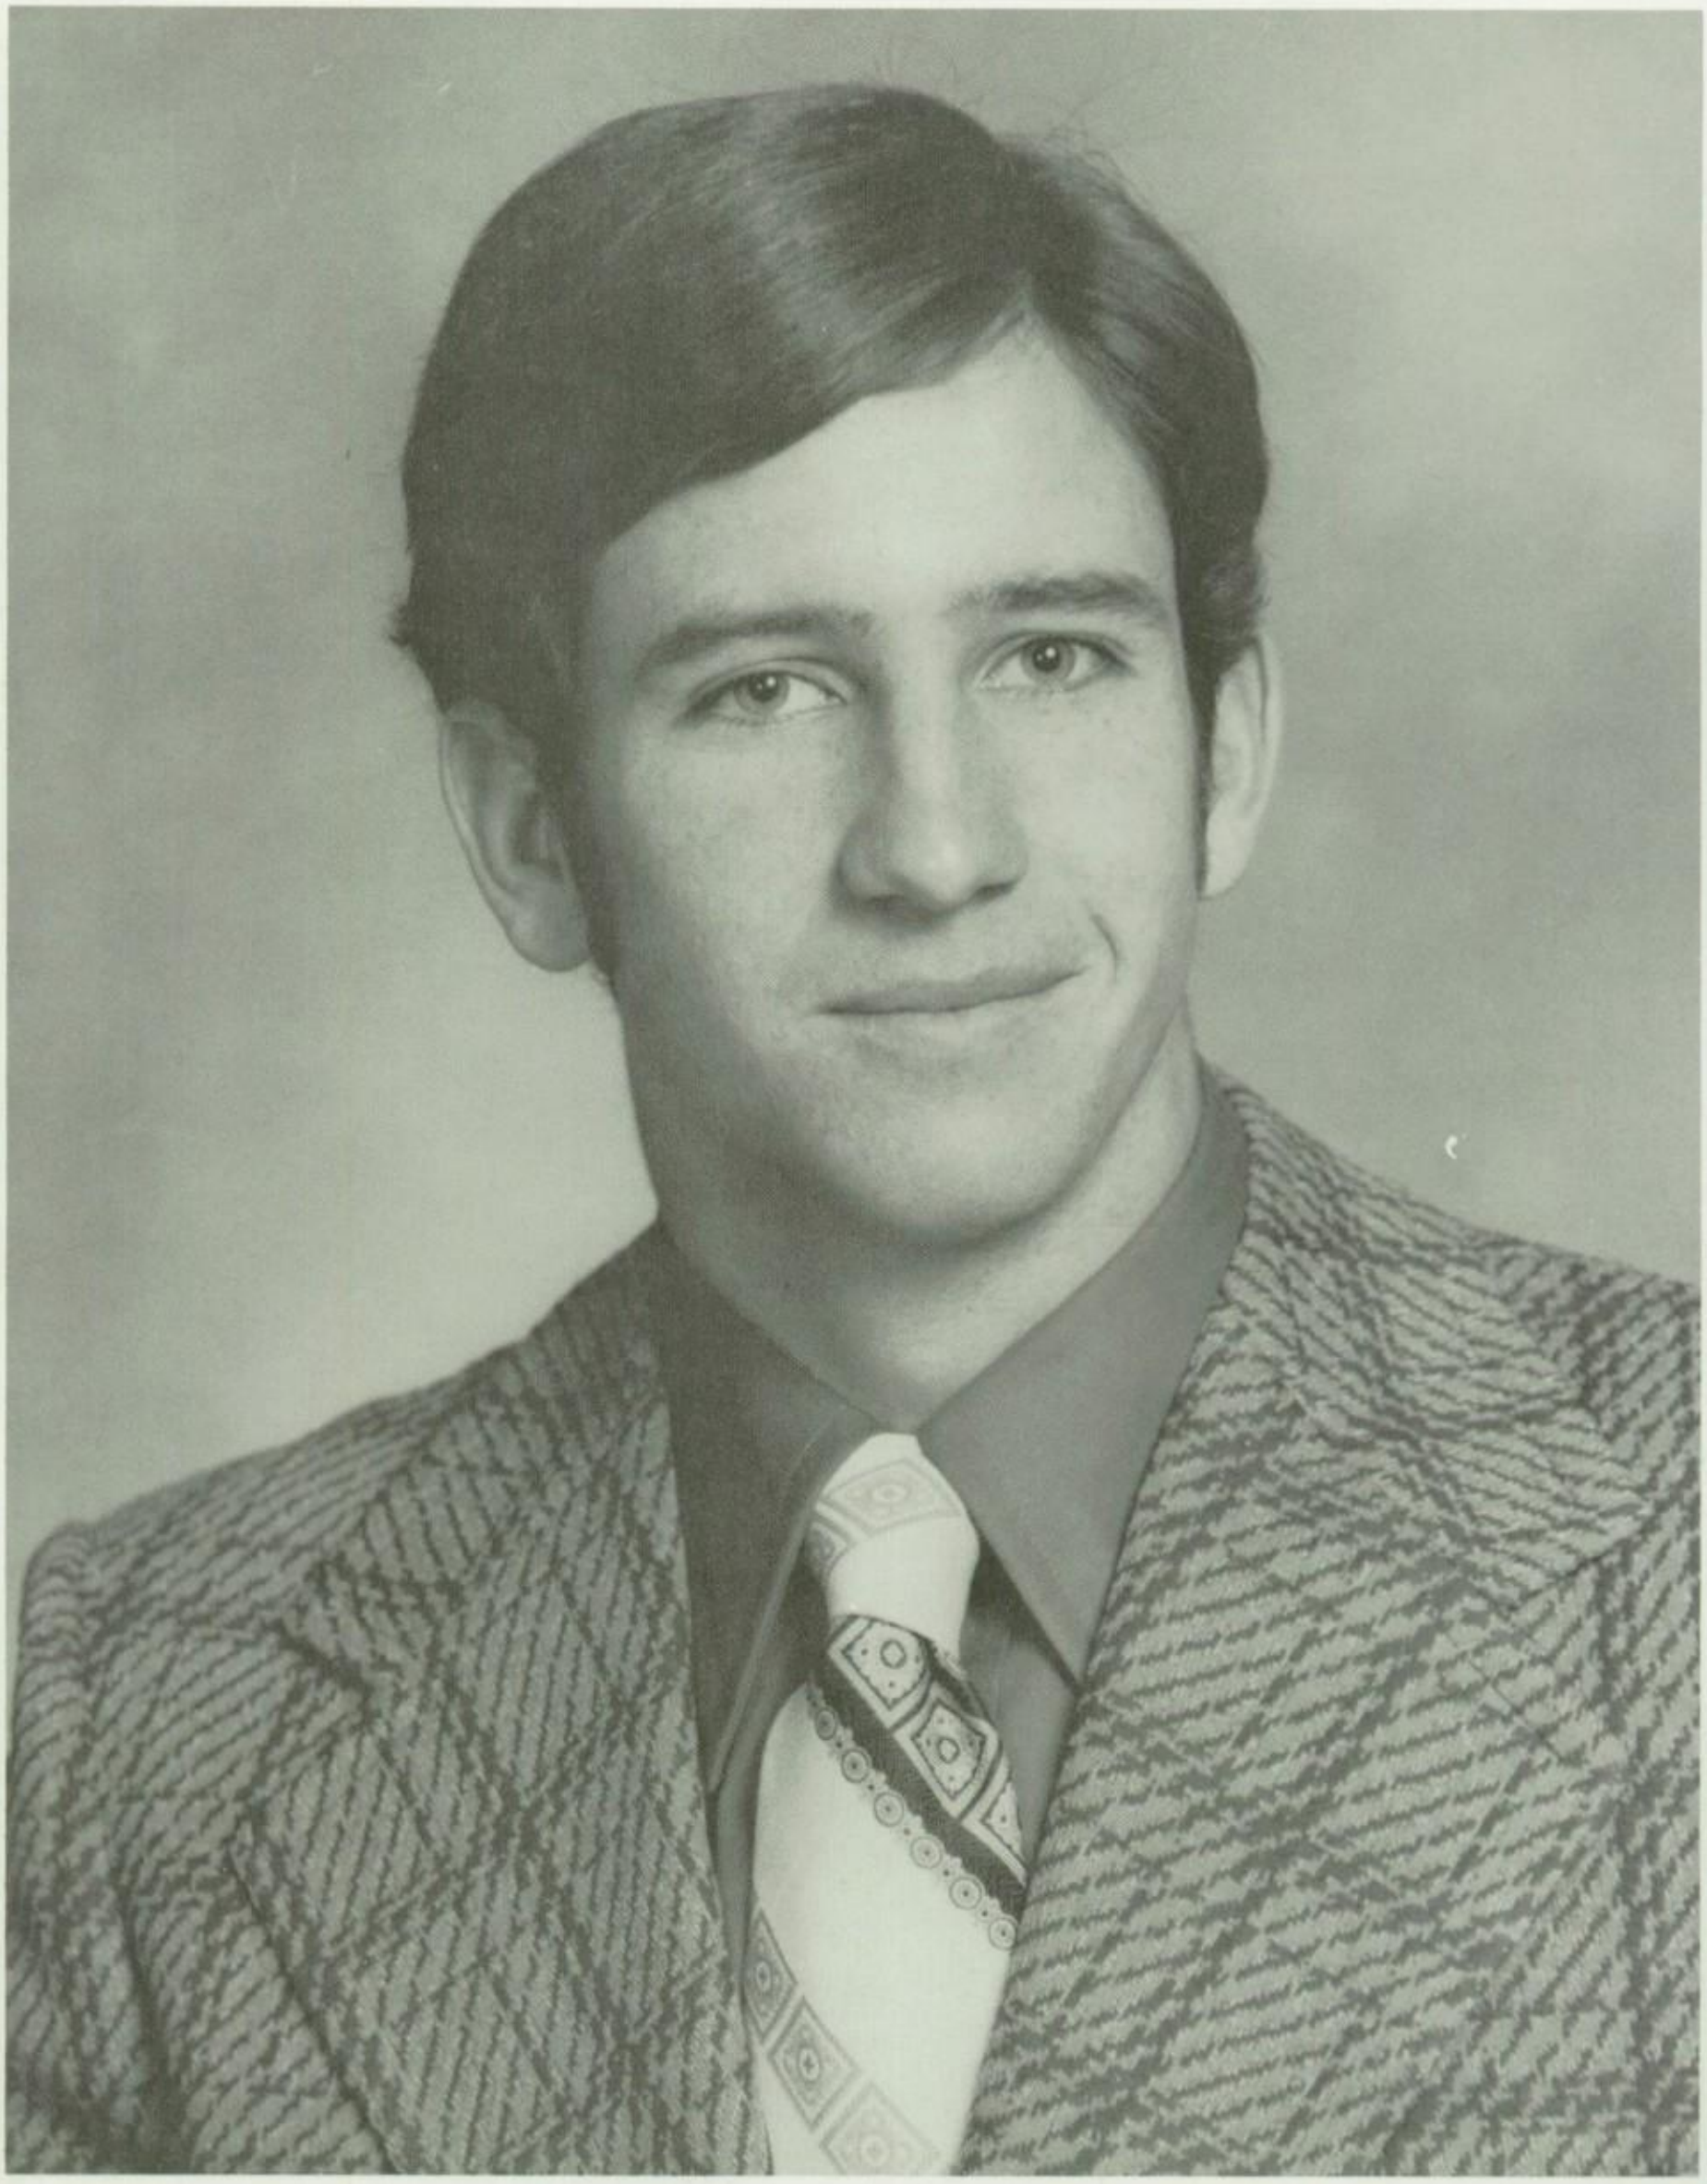
'74 Athlete of Year

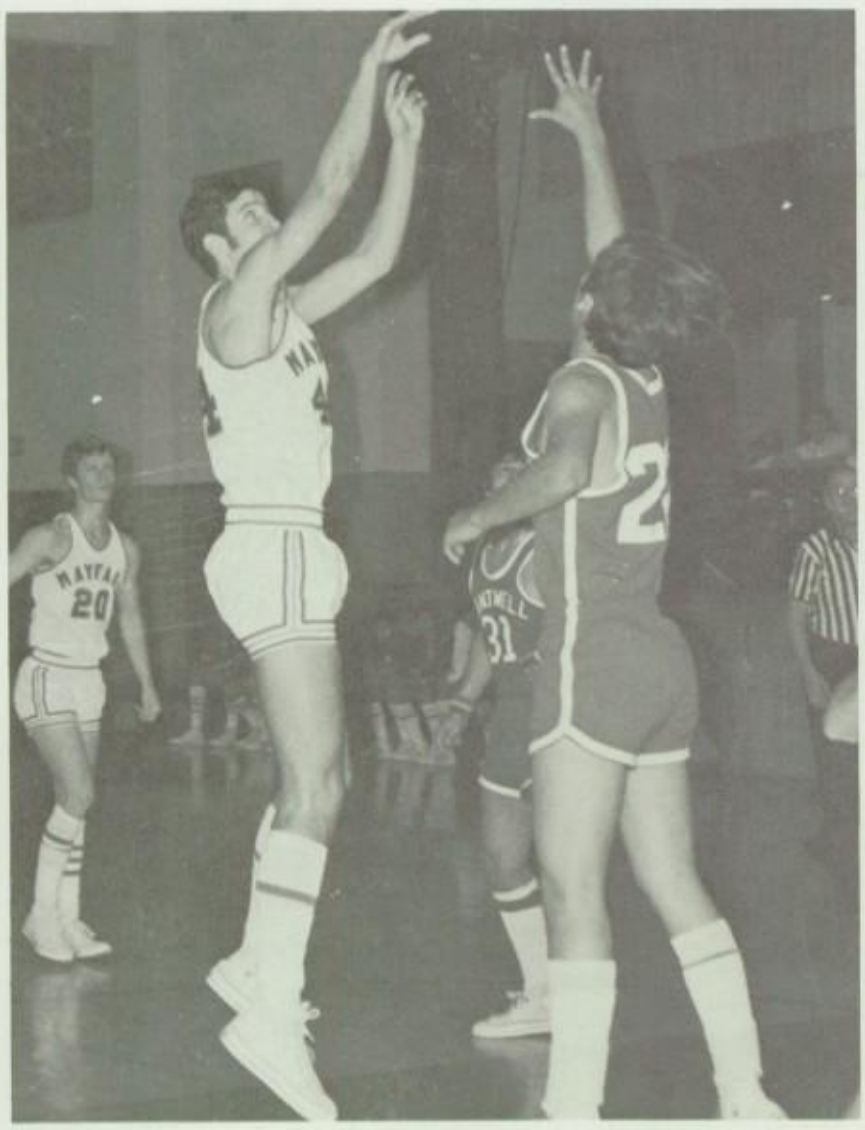


Frank Spehar

3—sport All-Leaguer

As the athletic season comes to an end, the coaches have unanimously voted to award the ATHLETE OF THE YEAR to FRANK SPEHAR.

Frank has been involved in athletics all four years at Mayfair. He was a two-year letterman and starter in varsity football and he was co-captain his senior year. He was voted Most Valuable and Most Inspirational Player. He was on the All-League team and was the Subarban League Defensive Player of the Year. He was also recognized in the WHO'S WHO IN HIGH SCHOOL FOOTBALL ASSOCIATION. Frank earned a varsity letter in basketball and was an All-League selection. Frank also was a two year varsity letterman in baseball. He was the leading hitter on the team and was chosen All-League for both years. Along with his athletic involvement, Frank has managed to maintain a 3.45 grade point average while attending Mayfair.



For each of us there are miracles
We have only to step silently aside
And look upon everyday things.

'74 Girl Athlete of the Yea

Norma Jackson

A first at Mayfair

For the first time in Monsoon history, a Girl's ATHLETE OF THE YEAR award is being presented. It is being received by NORMA JACKSON who has shown outstanding participation in Girls' Athletics.

Norma played varsity volleyball her junior and senior years. She was a member of the varsity tennis team her junior and senior years and went to CIF finals as a senior. Norma has played basketball all four years and has been a member of the varsity squad her sophomore, junior and senior years. During her junior year she was awarded the Outstanding Basketball Player award. She has also played softball all four years. She was named Outstanding Softball Player during her sophomore year. Norma has maintained a 3.00 grade point average and plans to attend college and major in Physical Education.

THIS CHOICE CAN BE YOURS

The Marines are looking for a few good men . . . men who want to choose their own directions.

The decision is an important one. One of the most important you'll make in your life. To make the right choice, you need more information than any booklet can give you. So talk to your Marine representative. He'll give you straight answers to all your questions, and explain how you can qualify for these new Marine Corps option programs.

It's *your* future. If qualified, it can be *your* choice. And right now is the time to act.

. . . to our friends

what now?
all these years
spent struggling
within my cocoon,
fighting, tearing,
waiting for a birth of freedom
and now i find it has unfolded,
easily
and gently,
in its own time,
and i stand motionless—
hypnotized
by the beauty and colour
of my new freedom wings.
———Joni Geiser

As the year comes to an end, I would like to present this book filled with the treasures and memories of a fantastic year.

I would like to thank MaryBeth Courtney and Diane Garr for assisting as Co-Editors as well as the rest of the TRADEWINDS staff for all the hard work and extra time put in. Also, Mrs. Selman for her concern and dedication as yearbook advisor. I would like to extend special thanks to Pete Quesada and David Rudd for their help in photography.

I hope everyone will enjoy this yearbook and will share it with each and every friend.
